

CLIENT Ontario Brain Institute

OBJECTIVE To create a Research Report to share and explain the results of a multiple stakeholder research gathering exercise for people suffering from neurodevelopmental disorders to the general public.

SOLUTION 8.5" x 11", 32 page (plus cover) Report in full colour.

PRaise "A dozen different stakeholders, numerous iterations, and multiple revisions. Chris was patient and timely throughout. All the stakeholders were very happy with final product."

Saskia Kwan, Program Lead, Knowledge Translation - Ontario Brain Institute
