PROJECT Kitchen Renovation

BRIEF Complete renovation of a 12'-0" x 18'-0" second floor Kitchen for a couple who enjoy entertaining.

PRAISE *"Transformative without being revolutionary: that's what we were hoping for in our Kitchen upgrade. We're so glad we took Chris's advice: his gentle prodding persuaded us to think beyond what existed. In presenting layout and finish options, he gave us focus, and helped us realize our vision. Thank you, Chris."*
