CLIENT Consult Marston LLC

OBJECTIVE To create an identity and stationery package for an independent Management Consultant focussed on delivering strategy and operations advice to his clients across four core aspects of sound business practice.

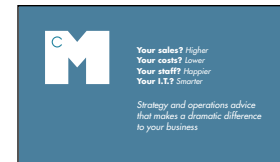

SOLUTION A bold mark implying power, stability and simplicity.

PRAISE "Working with Decisive Moment has shown me the power of design. The identity you created makes me look like a real company, which inspired me to think about shifting from a solo practice to building a firm. Thanks to you, Consult Marston is real, clearly defined – and powerful."
