DECISIVE MOMENT INCORPORATED

INTEGRATED
DESIGN
SOLUTIONS

- CLIENT** Think Company Inc.
- OBJECTIVE** To create a new identity and stationery package for a retail and interactive designer focussed on converting business strategy into customer experiences and integrated brand solutions through research.
- SOLUTION** A strong, engaging mark that hints at the process by illustrating the concept behind the name of the brand.
- PRAISE** "With over twenty years experience in retail branding I knew that I needed an expert to help me differentiate myself. Chris and I collaborated together and he created an identity that reflects my design philosophy. Mission accomplished."
